PROFESSIONAL EXPERIENCE

Product Manager - B2B Athlesisure ***24 – Present***
WORTHSTYLE - Hyderabad

- Built and scaled B2B athleisure vertical to 35 active clients (12 international, 23 domestic) and ₹1.5 Cr annual order value, with ~₹4.29 L avg. annual value per client and ~₹1.95 L AOV.
- Achieved ~55% client rebill rate (est.), above the >20% industry reorder benchmark, through standardised sampling approvals and QC checkpoints.
- Established a 9-region sourcing network across 5 countries (UK, Australia, USA, Bangladesh, Sri Lanka) and 4 Indian states (TN, Karnataka, Maharashtra, Delhi-NCR), managing 6 manufacturing partners.
- Partnered with a Dubai-based designer to develop 42 SKUs across 4 product lines, translating concepts into manufacturable tech-packs.
- Achieved 10–14 day sampling and 35–50 day bulk turnaround with MOQs of 100–500 pcs per style/colour, maintaining ~92% on-time delivery.

- Improved lead-to-order conversion to ~18% from ~12% by introducing standardised tech-pack templates and structured sampling workflows.
- Reduced defect rate from ~5% to <2%, against an industry average of 3–5%, through pre-production approval gates and in-line QC.
- Reduced unsold inventory by ~20% by shifting from speculative production to confirmed-order-only and pre-order models.
- CLV:CAC ratio of ~40:1 (est.), with client lifetime value of ~₹9.4 L against acquisition cost of ~₹20K.
